**MOCA PRIME ACCOUNTS ALSO COME WITH UNLIMITED REWARDS!**

Unlike most debit card rewards programs that cap the amount of rewards you can earn in a month, MOCA allows you to earn Unlimited Cash-Back Rewards each month. MOCA also allows you to self-redeem your MOCA Coins for cash at any time and in any amount.

Earning MOCA Coins is easy. Just use your MOCA Prime Card anywhere Visa® is accepted – online or offline. Maximizing your rewards is easy as well. First, don't use a PIN. When you use a PIN, you earn a flat 5 MOCA Coins per purchase, but when you make a PINless purchase, you earn 1 MOCA Coin for every \$1 you spend. Second, do 10 purchase transactions. Every month that you do at least 10 purchase transactions, we will double your rewards.

**Isn't it time you upgraded to a Free MOCA Prime Account with Unlimited Cash-Back Rewards and started using a CONTACTLESS MOCA Prime Card?**

No other debit card will give you the level of control you get with your MOCA Prime Card. No other debit card will allow you to earn or redeem rewards like a MOCA Prime Card. So choose wisely. Choose MOCA.

**MOCA, the Smart Choice.**

\*Early access to direct deposit funds depends on the timing of the submission of the payment file from the payer. We generally make these funds available on the day the payment file is received, which may be up to 2 days earlier than the scheduled payment date.
